PREVENT
IRS & State
Tax Problems:**

- ❖ Protect Your Assets
- ❖ Structure Your Business Properly
- ❖ Setup Bank Signature Cards Properly
- ❖ Minimize Tax Liability Utilizing Loans From Shareholders
- ❖ Protect Trusted Individuals or Family Members Who Have Loaned Your Business Money

We prevent IRS & State tax problems by helping you:

Protect Your Assets

We will help you protect your assets through proper planning, even though you may owe the government money. You can use your creditors to actually protect your own overall goals.

Structure Your Business Properly

We will tell you which entity is right for your business, to best protect you and your assets:

- ❖ Sole Proprietorship
- ❖ Partnership
- ❖ Corporation
- ❖ Sub-S Corporation
- ❖ LLC

Setup Bank Signature Cards Properly

We will tell you under what circumstances Officers are liable for payroll taxes owed by the business and how to set up your bank signature cards to protect your assets, and minimize the exposure of your family members to tax law enforcement.

Minimize Tax Liability

Using Your Shareholders Loans

We will show you how to structure repayment of loans from shareholders so as to minimize your payroll tax liability.

Protect the Trusted Individuals or Family Members Who Have Loaned Your Business Money

It is common for friends and family to lend money without security. We can show that it is essential to secure these loans against all of your assets. Now, someone you trust is in the proper position should things go bad.

Filing Tax Returns

What is the best filing status for you and your spouse on your personal returns?

- ❖ If you file jointly, what is your exposure?
- ❖ Big picture benefits to filing separately.
